GUIDANCE FOR YEAR 11 STUDENTS

- Revise in measurable chunks of time, for example,

40 minutes revision - 20 minute break - 40 minutes revision

or

30 minute revision - 15 minute break - 30 minute revision

or

15 minutes revision - 5 minute break - 15 minute revision

- This timetable has 2 hour allocated time slots. You are not expected to study solidly for the duration of each slot.

- Follow the subject plans provided by your teachers and Curriculum Leaders and use this overview to help manage and prioritise the different subjects.

- Get away from your social media or gaming while you are revising.

- Use the revision and study skill techniques that you have learnt in order to condense large amounts of content down into something memorable e.g. MindMaps or Loci.

- Try to use your information and notes to create something new and memorable e.g. Images, quizzes, notes around your room or house.

- The Academy website is full of relevant resources for you. 'Students' tab then click 'Exams & Revision'. Scroll down for the 'Subject Revision' lists.

- Use GCSEPod.
