Dear Parent/Carer

At All Saints Academy we are committed to our vision of supporting our students in Living Well Together with Dignity, Faith and Hope and this is particularly important for all our students as they make choices for the next stage of their education and explore the world of work!

The values of faith and hope are particularly relevant when we consider our Careers Education, Information, Advice and Guidance as we develop in our learners a sense of purpose in all they do. To this end I am writing to inform you of an employability partnership our Academy has entered into with Work Ready.

Work Ready provides school age students across the UK with free, accredited online training modules covering key 'soft skills' such as resilience, leadership, communication skills and job hunting. Their training is written by experts, features quizzing and video-based content.

Our Academy has developed a micro-site which offers Work Ready's training completely free of charge for your child and this is easy accessible from the careers section on our website. In order to ease the enrolment process and to track user progress, we will be enrolling students in Year 9 to Year 13 using their school emails. This letter is intended to inform you of this use of your child's school email.

Work Ready complies with GDPR data protection regulations and will provide a fantastic, enriching service for your child. For more information, please do not hesitate to contact me at the Academy or please visit either our website or [www.workreadyschools.co.uk](http://www.workreadyschools.co.uk).

Yours faithfully

Helen Anton  
Head of Careers
