

If I need to go to a safe place, I will go to Student Reception or Main Reception

One of these ladies will meet me there

They will keep me safe while they ask one of these people to come and help me

Here are some key places that I will need to know:

Main Hall – some of my assemblies will be in here

Sports Hall – Some of my assemblies will be in here and it is where I will do indoor PE lessons

Changing rooms – I will use these when I need to get changed for PE

Cafeteria – At break and lunch, I can get hot and cold food and drinks from here
