4th September 2020

Dear Student

Welcome back!

Further to Mrs Furber's letter last week, here are some more details for your year group:

Before school

- All year groups now have their own area to lock their bikes up, so if you ride your bike to school you should use the bike shed located to the right of the drive which will be signposted for Year 7.
- When you arrive to school you should enter the school building via the first door to the right from the main entrance. At this point you will have your temperature taken and if it is too high (above 38 degrees) you will be directed to the bungalow to be retested after cooling down. If your temperature is fine, you will return to your year group bubble area.
- If you normally come to school for breakfast, the school must be aware and you will have to sit at your year group table. Once finished you should leave the cafeteria and move to your year group bubble around the outside of the building. Unless you are coming onto site for breakfast, please do not arrive before 8.15am.

During school

- Once in the school, your year group bubble will be located in science. Most of your lessons will be in this area and you will only leave this area if you are to have a lesson in a specialist room such as Dance, Drama, Food or PE.
- On the first day you will have an assembly in the Main Hall. From here you will go to your form room to collect equipment and a timetable. At this point your tutor will be able to answer and questions. You will then start normal lessons from period 2.
- At the start of the day you will now be able to order cold food. This food will be delivered to your year group social area which is the Main Hall. This can be done for lunch and break. If you want to buy hot food, this can still be done but you will have to queue up. To help aid social distancing, we are operating a queue system where each year group will have an allocated time to queue and will not be allowed to queue before that time. Initially, your time will be 1.00pm. During lunch year groups are separated in the canteen and have their own specific area to allow for social distancing.
- Between lessons you will be escorted out of the building by your class teacher where you will line up and wait for your next teacher who will escort you back into the building.
- Please be aware that the school is not accepting any cash at the moment. All payments for meals, ID cards and ties will need to be made through ParentPay. Year 7 students will receive an information pack during the first week.
- As you will not have your cashless account from the start of term, you can buy food from the canteen using a token system. As soon as the online cashless system has been activated the balance will need to be paid.

All Saints Academy, Houghton Road, Dunstable LU5 5AB

01582 619700

www.allsaintsacademydunstable.org

Executive Principal: Liz Furber

Registered Company No: 685140

- You are welcome to bring your own pencil case, but we will provide you with one and there is no need to bring a PE kit on the first day.
- Please remember that your phone should not be seen during school hours.

After School

- You will leave the school the same way you entered the school and leave the school site straight away.
- Try to walk home with peers from your own year group.

The school community has worked really hard in order to ensure your safety during school hours. We look forward to welcoming you to All Saints Academy.

Yours faithfully

Rob Gould
Director of Transition
