

BEHAVIOUR & ATTITUDES NEWSLETTER

Issue 2—July 2022

ALL SAINTS ACADEMY

Dear Parents and Carers

In preparation for September, please be aware that the policy for skirts has now changed. Skirts are now to be knee length and all girls have had the opportunity to be measured by Ms Herd so that the correct length is purchased. We will be writing to parents/carers to let them know the waist size and length of skirts needed to meet the Academy expectations. Please do not buy skirts that are not on the knee as these will not be allowed. Girls do not have to wear skirts as they can wear school trousers with the school logo, if they prefer. If replacing uniform is a financial concern, please contact me directly on smiller2@asadunstable.org and we will look at the support that we can offer.

Simon Miller
Deputy Principal—Behaviour and Attitudes

Behaviour

We know that the COVID pandemic has had a significant impact on behaviour in schools across the country, but at All Saints we are pleased to report that all behaviour measures have improved over the course of the year. Figures show that behaviour is rapidly improving within the Academy. We are pleased to inform you that there have been less suspensions this year when compared to last year, average weekly behaviour points have decreased through the year and isolation figures are significantly lower compared to the first two terms. These measures show that behaviour is rapidly improving as the impact of the pandemic lessens.

These measures show that behaviour is rapidly improving as the impact of the pandemic lessens.

Bullying

Bullying (also known as peer-on-peer abuse) is taken very seriously by the Academy. If you are concerned that bullying is happening, please feel free to contact the school anti-bullying email address

nobullying@asadunstable.org.

At the Academy we ensure that all matters are fully investigated and that a resolution is achieved. While we cannot always share the outcomes of decisions due to legislation, please be assured that action is always taken.

Attendance

As a result of the pandemic, students have missed a significant amount of education over the past two years, and while this is no fault of the students, they are the ones that are affected by it. The end of year exams have shown where students have gaps in their knowledge, and it is vital that students attend the Academy every day so that they can be supported to fill these gaps. Excellent attendance in September will be vital to make sure that students can fulfil their potential—if they are not in school, they cannot learn.

- Group 1: No Concern - Green Group**
The child attends for 97% - 100% of the time.
- Group 2: Concern - Yellow Group**
The child attends for 95% - 96.9% of the time.
- Group 3: Risk of Underachievement - Amber Group**
The child attends for 93% - 94.9% of the time.
- Group 4: Severe Risk of Underachievement - Pink Group**
The child attends for 90% - 92.9% of the time.
- Group 5: Extreme Risk of Underachievement - Red Group**
The child attends for 0% - 89.9% of the time.
