## The Academy attendance target is 95%

## Uniform

On the whole, students have started the term very well in terms of their uniform and they look very smart. There has been one change to the uniform policy this year and it is that if anyone wishes to wear a skirt, it should be a branded school skirt that is knee length and then sits on the knee (as shown by the middle skirt in the picture on the right). If students roll their skirt up and have to be reminded three times to make their skirt the appropriate length, the student will have to wear trousers as they are refusing to follow staff instructions. Students can choose to wear trousers instead of skirts, but leggings and jeans are not allowed. They must be black school trousers that are not too tight.

Other key points to note from the uniform policy is that only one pair of stud earrings is allowed, nail varnish should only be clear and blazers are a part of the uniform policy that must be worn in the Academy. Students can wear a black V-neck jumper if they wish, but it must be unbranded and worn as well as a blazer.

At the Academy, we are always happy to support with uniform, so please feel free to e-mail me directly on [smiller2@asadunstable.org](mailto:smiller2@asadunstable.org) if you require uniform support.

## Attendance

We were very proud of our attendance figure last year and it shows that despite all of the issues related to the pandemic, our students still had the resilience to come to school and learn. Now that the pandemic appears to be over it is vital that students are in school as much as possible to ensure that no more learning is missed. If your child is absent and you have not called in, you will receive an absence text. Please instil resilience into your child and insist that they come to school as much as possible. If they wake up feeling unwell, please give them some medicine and send them to school when the medicine starts to work.

There is a strong correlation between attendance and success in GCSE exams, so good attendance to school is vital. Students with 100% attendance are 82% more likely to achieve five or more GCSEs at grade 5 or above including English and maths. This figure falls to 73% if the student misses ten days of school and if the student misses 20 days of school the figure falls dramatically to a 41% chance of achieving the same grades. If attendance is any lower than this the chances of passing five or more GCSEs with English and maths fall to below 20%.

## Bullying

At the Academy, bullying of any form is not tolerated and when it does occur, it is dealt with quickly. If a student feels that they are the victim of bullying, they should speak to a teacher and we will ensure that it is dealt with. Not speaking to someone will only make the matter worse and the Academy can help with the situation.

If you, or your child, does not feel comfortable speaking to a member of staff, the bullying can be reported to an anti-bullying e-mail address— [nobullying@asadunstable.org](mailto:nobullying@asadunstable.org). This address is monitored by senior staff and the matter will be dealt with swiftly.

## Reporting an Absence

Absences can be reported in a number of ways:

- Calling and leaving a message for the Attendance Officer
- Through Edulink
- By text
- Emailing [office@asadunstable.org](mailto:office@asadunstable.org) or [parentcontact@asadunstable.org](mailto:parentcontact@asadunstable.org)

Please contact us if you do not have your Edulink login

## Medical Appointments

Please book non-emergency medical appointments for after school so that your child does not miss out on important lesson content.

If this is not possible, or the appointment has been booked for you, eg a hospital appointment, please send in a screenshot or copy of the appointment so that we can authorise the absence.
