## Parent Governor

My name is Andrena and I am a new parent governor for the Academy. One of the reasons that I chose to volunteer my time working with the Academy was because I really want my presence and contributions to have and make a positive impact on the children here.

I have a 15 year old daughter, and I want for her to become the best young adult that she can be when that time comes for her to leave high school and make her mark in the world, and I have that same desire for all the students here at All Saints Academy. I believe that school plays a major part on how children are prepared for when they leave mainstream education and it's up to the Academy to work with the parents/carers to maximise every child's potential. So that being said, I look forward to working with you all!

## Attendance

The end of last term was challenging for attendance due to the freezing conditions. However, we are pleased with the start that most students have made this term. This half-term is much shorter than the last one, at only five and a half weeks compared to seven, so students should not be as tired towards the end of the term, meaning less of a need to take time off. Remember, all students are eligible for all attendance rewards this term, so please encourage good attendance from your child.

## Flair

You will have seen e-mails over the last week about the Anti-Racism initiative that we are running in conjunction with Flair. The starting point is a questionnaire which looks at conscious and unconscious racism and then how to best tackle it, if it exists. We will receive the results in the coming weeks and we look forward to working with Flair to make sure that any form of racism is challenged and that the behaviour is corrected.

## Change to the Behaviour Policy

At the start of the term, there was a small change to the Behaviour Policy. Previously, students would receive two warnings about behaviour before receiving a B1, however we have decided to change this and students will now receive one verbal warning before they receive a B1. We have taken this decision as the overwhelming majority of students display excellent behaviour in every lesson and by giving two warnings to students, there is unnecessary disruption to learning from a minority of students. This was communicated to students in their standards assembly, so all students are aware of this change.

## Uniform

We believe that our uniform policy is easy to follow and that it ensures our students look smart. We also understand that the cost of living crisis is having an impact on everyone, so if you are struggling with any part of the uniform, please make contact with your child's Head of Year and we will work with you to correct any uniform issues.

## Locker Keys

One of the Academy expectations is that students do not carry coats, bags, PE kit, etc, around with them during the day and to support students in meeting this expectation, the Academy issues every student with a locker at the beginning of the academic year.

Lockers are issued free of charge and all we ask is that students pay for a replacement key should they lose it. From Monday 23rd January, we will be reducing the cost of replacement keys to £1.

Replacement keys can be purchased via ParentPay or at Student Reception.

## Reporting an Absence

Absences can be reported in a number of ways:

- Calling and leaving a message for the Attendance Officer on 01582 697618
- Through Edulink
- By text on 07860 098785
- Emailing [office@asadunstable.org](mailto:office@asadunstable.org) or [parentcontact@asadunstable.org](mailto:parentcontact@asadunstable.org)

## Medical Appointments

Attending school every day is key in achieving good outcomes which support improved future life opportunities.

With this in mind, we ask that non-emergency medical appointments are booked for after school so that your child does not miss out on important lesson content.

If this is not possible, or the appointment has been booked for you, eg a hospital appointment, please send in a screenshot or copy of the appointment.
