10<sup>th</sup> July 2023

Dear Parent/Carer

**Tutoring – July 2023**

At All Saints Academy we are committed to our vision of Living Well Together with Dignity, Faith and Hope. Part of this commitment is ensuring your child achieves their potential. To further support your child with their transition to Year 13, all current Year 12 students have been provided with the opportunity to receive small group tuition for at least one of their chosen subjects, over the next two weeks. This tuition will take place between the 10<sup>th</sup> and 20<sup>th</sup> July 2023.

All Saints Academy are working in conjunction with MyTutor, an experienced tutoring company, to deliver an intensive programme of online tutoring which aims to raise a student's level of achievement in their identified A level subject. The students were informed about this programme earlier in the term and have already received details which outline the subject, day and time for their session as well as the website. Students have also been provided with their username and password. These sessions will begin as of Monday 10<sup>th</sup> July. We would like to ask for your support in ensuring that students sign in to their sessions and participate fully in order to gain the most benefit.

Your child will work with a qualified subject tutor, most of whom are teachers with qualified teaching status, alongside one or two other students from All Saints Academy. Sessions are accessed remotely from within school or from home via an iPad or laptop. The platform cannot however be accessed via a mobile phone. All tutors are DBS-checked and all online sessions are recorded for students to review and revise from.

Your child has 8 sessions timetabled to take place either in school during your child's free study periods, or at home during after school hours. We appreciate that this may not always fit around existing commitments or travel times. As mentioned, students can remain in school to complete these sessions. If the assigned day or time is not convenient, please do email me at [aduric@asadunstable.org](mailto:aduric@asadunstable.org) and let me know what alternatives would be preferable, however please note that tuition times are limited to MyTutor's availability.

If you are not happy for your child to take part, please contact me as soon as possible so that the place can be offered to another student.

Many thanks for your continued support.

Yours faithfully
