	Sequencing (Flow)	Retrieval & Extension	These last three modules are the most complex in terms of vocabulary but do not add a lot of extra context in terms of grammar. All vocabulary and grammar structures used in previous modules are again used in this new module. This logic talks more about cultural content and costumes in Spain and Latin America. This is presented using tenses already seen before and a lot of vocabulary previously introduced.		All vocabulary and grammar structures used in previous modules are again used in this new module. This topic explores in more depth what was previously introduced in Year 9. It does so with tenses later introduced during Year 10, mixing both pieces together. It does so adding new vocabulary and challenging students.		All vocabulary and grammar structures used in previous modules are again used in this new module.
